Internal Medicine and Acupuncture

Initial Consult and Treatment 75 min \$125

Revisit 45-60 min \$90

Internal medicine is a medical specialty that focuses on the diagnosis, treatment and prevention of nonsurgical conditions in combination with Acupuncture which is an ancient technique where the practitioner inserts hair-thin needles into specific points on the body to prevent or treat illness.

Facial Rejuvenation

Non Needle Treatment \$125

Based on the principles of Chinese medicine in combination with Microcurrent and Color Light therapy this non-invasive, holistic rejuvenation, re-educates facial muscles and addresses the underlying causes of visible aging.

Chakra Balancing with Color Light

15-30 minutes \$40

A powerful, therapeutic treatment utilizing micro-light therapy that assists in the healing process of deeply rooted mental, emotional and physical ailments.

Microcurrent Therapy

Microcurrent 60 minutes \$85

Add On Microcurrent \$25

Utilizing the principles and diagnosis of Chinese medicine, this Microlight Electro-Acupuncture therapy relieves pain without the use of drugs, needles or uncomfortable stagnation. Perfect for children and those seeking non-needle therapy.

Cupping \$25

Ancient Chinese treatment method used to drain excess fluids and toxins, stimulate the nervous system, boost the immune system, clear respiratory congestion, bring blood flow to stagnant muscles and loosen adhesions, connective tissue and stubborn “knots”.

Homeopathic Injection Therapy

\$25 per remedy

Subcutaneous injections of FDA approved homeopathic remedies for stubborn conditions associated with pain, acute injury and arthritis. These very powerful, natural medicines are safe and as effective as conventional treatments.
